Author

APPENDIX:A

Other Books and Publications by the Author

Full list of publication: amazon.com/author/abbask

Beyond this CIDPRO™ Exam Prep Guide, the author has written, co-authored, contributed to, and technically edited a range of cybersecurity titles spanning identity security, Zero Trust, cloud, OT/IoT, crisis management, and CISO leadership. These are listed below for readers who wish to explore related subject areas in greater depth.

As Author

#1 New Release / Bestseller Critical Infrastructure Under Cyberattack: Securing the Foundations of Industries in a Hyperconnected World

Co-authored with Doron Harel | bpb Publications, 2026

Explores the convergence of IT, OT, and IoT across critical sectors such as energy, transportation, healthcare, and smart cities — covering ransomware, supply chain attacks, and nation-state threats to industrial and physical infrastructure.

Buy on Amazon: <https://www.amazon.com/Critical-Infrastructure-Under-Cyberattack-hyperconnected-ebook/dp/B0H33WPPL1>

#2 Securing Cloud Containers: Building and Running Secure Cloud-Native Applications

Co-authored with Sina Manavi and Muhammad Aizuddin Zali | Wiley (Tech Today series), 2025

A hands-on guide to securing containerised applications and Kubernetes across AWS, Azure, and GCP, covering container image security, runtime protection, DevSecOps, and the use of AI in cloud security.

Buy on Amazon: <https://www.amazon.com/Securing-Cloud-Containers-Cloud-Native-Applications/dp/1394333730>

#3 Managing Risks in Digital Transformation: Navigate the Modern Landscape of Digital Threats with Real-World Examples and Use Cases

Co-authored with Shashank Kumar and Ashish Kumar | Packt Publishing, 2022

A guide to identifying and mitigating the risks introduced by digital transformation, with a focus on Zero Trust architecture and practical remediation steps for remote-working and regulatory risk.

Buy on Amazon: <https://www.amazon.com/Managing-Risks-Digital-Transformation-real-world/dp/1803246510>

#4 Bestseller *Zero Trust Journey Across the Digital Estate*

Co-authored with Binil A. Pillai | CRC Press, 2022

A practical roadmap for implementing Zero Trust across the modern digital estate, helping business and technical leaders modernise security architecture to protect people, devices, apps, and data anywhere.

Buy on Amazon: <https://www.amazon.com/Trust-Journey-Across-Digital-Estate/dp/1032125497>

#5 Bestseller *Threat Hunting in the Cloud: Defending AWS, Azure and Other Cloud Platforms Against Cyberattacks*

Co-authored with Chris Peiris and Binil Pillai | Wiley, 2021

A vendor-neutral, multi-cloud threat hunting resource built around the MITRE ATT&CK framework, covering common threat vectors and cyber fusion center best practices for both business and technical audiences.

Buy on Amazon: <https://www.amazon.com/Threat-Hunting-Cloud-Defending-Cyberattacks/dp/1119804800>

As Contributor & Technical Editor

#1 Bestseller *A Day in the Life of a CISO: Personal Mentorship from 24+ Battle-Tested CISOs — Mentoring We Never Got*

By David J. Gee — Abbas Kudrati, contributor | Packt Publishing, 2025

A collection of candid, real-world insights from more than two dozen accomplished CISOs on strategy, communication, crisis leadership, and career growth for aspiring and current cybersecurity leaders.

Buy on Amazon: <https://www.amazon.com/Day-Life-CISO-Mentorship-Battle-Tested/dp/1806110695>

#2 Mastering *Microsoft Entra ID: Design, Implement, Secure, and Govern Modern Identity Solutions Across Hybrid Enterprises*

By Pramiti Bhatnagar, foreword by Merrill Fernando — Abbas Kudrati, technical reviewer | Packt Publishing, 2025

An end-to-end guide to designing, securing, and governing enterprise identity with Microsoft Entra ID, covering Conditional Access, identity governance, PIM, and Zero Trust for hybrid environments.

Buy on Amazon: <https://www.amazon.com/Mastering-Microsoft-Entra-implement-enterprises/dp/1806116014>

#3 *The Art of Selling Cybersecurity*

By Mahdi Raza and David Mahdi — Abbas Kudrati, contributor | Tablo Pty Ltd, 2022

A practical guide to communicating cybersecurity value to business stakeholders, blending sales methodology with real-world lessons for security vendors and practitioners alike.

Buy on Amazon: <https://www.amazon.com/Art-Selling-Cybersecurity-Mahdi-Raza/dp/1685835503>

#4 Bestseller **Effective Crisis Management: A Robust A-Z Guide for Demonstrating Resilience by Utilizing Best Practices, Case Studies, and Experiences**

By Sarah Armstrong-Smith — Abbas Kudrati, technical editor | bpb Publications, 2022

An A-to-Z exploration of crisis leadership and incident response, using real-world case studies — including major cyber incidents — to build resilient, people-first crisis management capability.

Buy on Amazon: <https://www.amazon.com/Effective-Crisis-Management-Demonstrating-Experiences/dp/9355512716>

#5 **IoT and OT Security Handbook: Assess Risks, Manage Vulnerabilities, and Monitor Threats with Microsoft Defender for IoT**

By Smita Jain and Vasantha Lakshmi — Abbas Kudrati, contributor | Packt Publishing, 2023

A practical guide to securing Industry 4.0 environments, covering the Purdue model, common OT/IoT attack vectors, and how to deploy Microsoft Defender for IoT to achieve Zero Trust for connected devices.

Buy on Amazon: <https://www.amazon.com/IoT-Security-Handbook-vulnerabilities-Microsoft/dp/1804619809>

#6 **IT Audit Field Manual: Strengthen Your Cyber Defense Through Proactive IT Auditing**

By Lewis Heuermann — Abbas Kudrati, contributor | Packt Publishing, 2024

A field manual for IT auditing across cloud, endpoint, network, and Linux environments, guiding readers from foundational audit principles through advanced techniques and compliance frameworks such as GDPR, HIPAA, and SOX.

Buy on Amazon: <https://www.amazon.com/Audit-Field-Manual-Strengthen-proactive/dp/1835467938>
